**DEFENDANTS' JOINT REQUEST FOR AN EXTENSION OF TIME  
TO FILE EVIDENCE OF AN AFFIRMATIVE DEFENSE**

Comes now Defendant Nihad Rosic, by and through undersigned counsel, and on behalf of all Defendants, Requests an Extension of Time to File "Evidence of an Affirmative Defense." In support of said Request, Defendant Rosic, on behalf of all Defendants, hereby states as follows:

1. On February 13, 2016, this Court entered its Order (Doc. 361) relative to the filing of "Traditional" Pretrial Motions and Notice of Affirmative Defense(s) which provided that each Defendant would have until May 1, 2017, to file said Motion(s) and/or Notice(s); the Government would have until May 22, 2017, in which to file a Response; and the Defendants would have until June 1, 2017, to Reply; and the Evidentiary Hearing would be set for the week of June 19, 2017.

2. Subsequent to the Court's Order of February 13, 2017, the Government filed a Motion for a *Frye* Hearing as to each of the Defendants and said Motions were set for hearing; however, subsequently a decision was issued vacating those Hearings and, the parties agreed that the issue of the Notice of an Affirmative Defense, that is, Combatant Immunity would be raised by the parties in a Joint Motion and Memorandum to be filed pursuant to the Order of February 13, 2017, but that the filing of "Traditional" Pretrial Motions would be stayed for the present time.

3. Counsel for the Defendants have met and would request of this Honorable Court an additional thirty (30) days in which to file their Notice of an Affirmative Defense for the following reasons:

- (a) Defendants have retained an expert witness;
- (b) Defendants are actively contacting witnesses who were engaged in the combat at the same time as Abdullah Pazarra;
- (c) That one or more of the witnesses is not located in the United States and will require contact via Skype or other electronic means; and
- (d) That additional time will be needed to determine the best means to depose its expert witnesses and potential witnesses.

4. In light of the foregoing Defendants believe that an additional thirty (30) days would not be prejudicial to any part and would request that the schedule for presenting Notice of an Affirmative Defense be amended as follows, to-wit:

**Defendants filing an offer of evidence:      June 1, 2017**

**Government's Response:                      June 22, 2017**

**Defendant's Reply:**

**July 5, 2017**

5. Undersigned counsel have discussed the filing of this Motion with Matthew Drake, Assistance United States Attorney, and he has no objection to its filing of the instant Motion.

WHEREFORE, for the foregoing reasons, Defendants collectively pray that this Honorable Court vacate its Orders of February 13, 2017 (Doc. 361); that a new Order be published in conformity with this Motion or, alternatively, to a schedule that meets with the Court's schedule; and for such other and further Orders as the Court deems meet and proper in the premises.

Respectfully submitted,
